

Supplemental Emergency Form

This information is being collected and maintained by the USGS Field Lead (@Tim Orr) and will be associated with all field visits for the CONVERSE DV exercise. This information will be on file and therefore, you will not need to file it every time you head to the field.

* Required

1. Name (Last, First)*

2. Affiliation*

3. Contact cell number*

4. Emergency Contact (Name and phone number)*

5. Field vehicle make/model/license plate (you can report a different vehicle in the Daily Field Activities Log if this changes)

6. Has all field safety training been completed (for this exercise mark "yes" but in reality there would be a link to all REQUIRED training)*

Mark only one oval.

Yes / No

7. Do you have all appropriate PPE for the job you plan to perform (for this exercise mark "yes" but in reality there would be a link to all REQUIRED PPE)*

Mark only one oval.

Yes / No ? Maybe

8. Have you been fit tested for a respirator and have physician's approval? (mark "yes" for this exercise but in real life there would be a URL for how to do this step)*

Mark only one oval.

Yes / No

9. Have you complete cultural sensitivity training (for this exercise mark "yes" but in reality there would be a link this training)*

Mark only one oval.

Yes / No
